

Airships: The Hindenburg and other Zeppelins

The Graf Zeppelin, Hindenburg, U.S. Navy Airships, and other Dirigibles

Hindenburg (LZ-129)

The Hindenburg was the first airliner to provide regularly scheduled service between Europe and North America.

While the airship is better remembered for the fiery Hindenburg disaster of 1937 than for its many technological achievements, it was the fastest and most comfortable way to cross the Atlantic in its day.
